THE PERCY AND PERCY STORY

**WHY IS OUR CAFÉ CALLED PERCY AND PERCY?
THE NAME COMES FROM THE HISTORY OF THE SHOP!**

The original owner was Mr. Percy Watts who ran the shop as a small grocery store. He then sold the shop to Mr. Percy Forbes who continued to run the grocer and then modernised to a milk bar style shop as larger supermarkets and convenience stores became

too competitive for small corner grocery stores.

We are so excited to be able to share the history of the shop with you. Please do have a look around at the old images of the shop we have around the café, we believe these pictures were taken during rationing in the early 1950s.
